Job Description

Acorn Recruitment is searching for a Night Shift Manager to join our client, a busy warehouse and distribution company based in Preston, Lancashire.

In this challenging role, you will be working as part of the fast paced, energetic and busy warehouse and distribution team, solely responsible for controlling the night shift and ensuring all customers varying SLAs are met.

Duties of the role include:

- * Controlling the night shift operation including the pick, despatch, replenishment and packing operation.
- * Manage the order profile to ensure that orders are picked and packed to ensure all customers varying SLAs are met.
- * Manage replenishment process and ensure stock integrity processes are followed.
- * Ensure site housekeeping is carried out regularly.
- * To train, develop and mentor staff to pick and pack customer orders accurately and securely. Addressing performance issues and making recommendations.

The successful candidate will have previous experience in warehouse operations as well as experience of leading teams to deliver the operational service required by demanding customers.
